- 06 Delegates will not be allowed in the accommodation of the opposite sex. If you are found in such a circumstance be aware that you will be expelled from the camp.
- 07 Members of the opposite sex must also not be alone in private.
- 08 During free time there will be certain no go zones, anyone found in these areas will be dealt with accordingly.
- 09 You will be required to shower every day. A wash will not do as we will be living in close quarters and spending our day doing a lot of activity. Please don't give the leadership the onerous task of telling you that you stink!

- 11 Aggression, abuse, bullying, violence or aggressive language of any kind will not be tolerated at any time towards anyone and will be dealt with expulsion (to the discretion of Camp leaders).
- 12 We expect each delegate to attend all the meetings, for their benefit.
- 13 As Leaders of the camp we have the right to add rules at our discretion, for the safety and benefit of others, before or during the camp.
- 14 Mobile Phones:- We strongly recommend that you do not bring your phones on camp so that you can focus on God and have a break from social media. If you do bring your phones we ask that they are only used during free time. Phones will not be permitted during meal times, devotions or meetings.
- 15 We will follow any government Covid19 restrictions that are in place for the duration of the camp.

**GOLDEN RULE: Our desire is that people attending the camp show respect and kindness to one another, we are on camp encourage and build each other up at all times.**
